Keen interest in hand drawing, hand crafts, model making, chemistry and material science.

Excellent written and verbal communication skills.

Grade 8 cello and trumpet.
 Past member of Symphony Orchestra Madrid.
 Urban sketching, screen printing, running, hill walking.

About me

I am a Part II architectural assistant with an interest in the integration of architectural research and material science within building design. I believe these fields have the potential to make a positive impact on ordinary people as well as on the sustainability of the built environment of the future and the preservation of historic buildings. I am a good team player and I am logical, efficient and enthusiastic.

Education

2018 - 2020	MArch Architecture, University of Sheffield, UK Graduated with Distinction
2014 - 2018	BSc (Hons) Architecture, University of Bath, UK Graduated with 2.1

2010 - 2014	St Benedict's Upper School, Bury St Edmunds, UK A levels: 2A*, 4As; GCSEs: 13A*s, 2As

Other qualifications

Code First Girls courses in Python with project in data analysis, and Web Design (HTML, CSS, Javascript).
 CEFR A2 in Dutch, CEFR A2 in Portuguese, fluent in Spanish

Experience

Mar 2021 - present	Part II architectural assistant - MCW architects, Cambridge Primarily involved with early stage drawings exploring future options for The Lawns, Hull (Grade II* listed) by Gillespie Kidd & Coia, aiming to maximise preservation of the original design intentions while giving the presently unoccupied buildings a new use and new life.
Nov 2020 - Mar 2021	Part II architectural assistant - Bulmer Brick & Tile, Suffolk Part time role at traditional brickmaker's specialising in handmade bricks for conservation and restoration. Drawing work including setting out niches, finials, elliptical, semicircular and flat arches, and a number of gothic revival chimneys from geometric first principles. Sample matching comprising clay analysis and sample testing.
	Part II architectural assistant - Innes Associates Architecture & Urban Design, London Part time work on two museum feasibility studies (Grade I and Grade II listed).
Apr - Jul 2017	Part I architectural assistant - MPN & Partners, Hanoi Independent work on concept design for Hong Ngoc General Hospital, Hanoi: concept was selected as client's preferred option. Detailed design drawings for Dream Oceanami Resort, Nha Trang.
Mar - Aug 2016	Part I architectural assistant - Innes Associates Architecture & Urban Design, London Drawings for planning through to detailed design stages for various projects including conversion of a Victorian warehouse to offices. Also involved with coordination with consultants and site visits for various projects.
Jul - Aug 2015	Voluntary work for small infrastructure charity - Children and Families in need in Zimbabwe Created Revit templates for typical CFNZ buildings and Revit model of a low-cost nursing home in Bulawayo, Zimbabwe, aiding with construction of technical drawings.
